

The Best of THE ROGUE VALLEY

VOTED FOR BY YOU, THE READERS!

For the past month, we have hosted our second annual Best Of "survey," and we spent last weekend digging out from underneath the avalanche of the hundreds of votes that poured in. We were pleased that so many of you cast your votes, from your favorite gym to your favorite weed shop, and your favorite roller derby girl (who knew that roller derby is perhaps the most popular sport in the area?) to your favorite food truck, and your favorite local bands, beers and barbers. Throughout this issue, we have listed the top vote-getters as the winners, and honorable mentions to the person or business which received the second most votes.
